

THE HONORABLE JOHN C. COUGHENOUR

UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTON  
AT SEATTLE

SALOME AGUAYO-BECERRA,

Plaintiff,

v.

ASH GROVE CEMENT COMPANY, a  
Delaware corporation; GOODMAN  
CONVEYOR COMPANY; and JOHN  
DOES 1-12,

Defendants.

CASE NO. C15-1561-JCC

MINUTE ORDER

The following Minute Order is made by direction of the Court, the Honorable John C. Coughenour, United States District Judge:

This matter comes before the Court on the motion to continue trial by Defendant TPI Engineered Systems Inc. (Dkt. No. 64), to which the parties have stipulated. (*See* Dkt. No. 68.)

The parties have requested a trial day of May 7, 2018, or later. (*Id.* at 1.) However, given the slow pace of this case so far, the Court deems such an extension too long.<sup>1</sup> **Instead, the Court CONTINUES the jury trial in this case from September 11, 2017 to Monday, January 29, 2018 at 9:30 a.m.**

<sup>1</sup> The Court acknowledges that TPI was added as a Defendant later than others, in November 2016. (*See* Dkt. No. 68 at 2.) Although the Court is not providing as much additional time as requested, a January 2018 trial date would still give TPI over a year to prepare for trial.

1 In addition, the Court ORDERS Plaintiff Salome Aguayo-Becerra to show cause why the  
2 Court should not dismiss the claims against those Defendants who have not appeared—or have  
3 not been identified—for failure to prosecute.<sup>2</sup> **Plaintiff shall show cause or take action as to**  
4 **those Defendants within 14 days of this order or those Defendants will be dismissed from**  
5 **this case without prejudice.**

6 The Clerk is DIRECTED to terminate Docket Number 64.

7 DATED this 13th day of March 2017.
